

Official Torchlight II Mods

Brian Ward - 2017-01-19 - 0 Comments - in Modding

Shortly after launch, we released two official mods for *Torchlight II*. Steam users can find these [readily available](#) on the Steam workshop and installation is automatic through the Steam client.

They are [also available](#) for download from the Runic Games Fansite – or, you can just grab them from this page.

Downloads

[8 Player MP \(v.1\)](#) - Increases the multiplayer maximum player count to 8.

[Respec Potion \(v.3\)](#) - Adds Respec potions to general goods vendors.
